Water and wastewater bills are rendered quarterly with the exception of some large Industrial, Commercial and Public Authority customers billed monthly.

Public Fire Protection – This service includes the use of hydrants for fire protection service only and such quantities of water as may be demanded for the purpose of extinguishing fires. This service shall also include water used for testing equipment and training personnel. Rate established 1/1/2003.

Private Fire Protection – This service shall consist of permanent or continuous unmetered connections to the main for the purpose of supplying water to private fire protection systems such as automatic sprinkler systems, standpipes, and private hydrants.

Storm Water Fee – The storm water fee finances the City's Storm Water Management Program and compliance with the Wisconsin Pollution Discharge Elimination System permit. The fee is based on the amount of runoff that is generated by different land uses within the city. Rate established 1/1/2006.

Reconnection Charges - Reinstallation of meter - including valving at the curbstop \$35.00, after hours \$50.00
Valve turned on at curbstop \$25.00, after hours \$40.00

Curbside Recycling Services

August 1, 2011

On October 5, 2010, the Chippewa Falls Common Council approved charging residents for recycling services directly on their utility bill. Wisconsin Statute 287 mandates that communities over 5,000 provide for curbside recycling services.

Recycling charges cover the cost of providing curbside recycling services to single family to four-plex homes. Charges for tri-plex and four-plex homes are billed directly to the property owner.

Residents may request a recycling bin by calling Normacycle at 715-720-7777 or visit the web at www.normacycle.com. For more recycling information, contact the Chippewa Falls Recycling Coordinator at 715-726-7999.

Recycling Rate - \$3.05 / unit / month
