MEETING MINUTES
MONDAY, OCTOBER 10, 2016 – 5:30 PM**

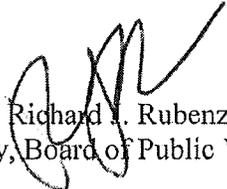

The Board of Public Works met in City Hall on Monday, October 10, 2016 at 5:30 PM. Present were Mayor Greg Hoffman, Director of Public Works Rick Rubenzer, Finance Manager Lynne Bauer, Alderperson Paul Olson and Darrin Senn. Chippewa Fall Main Street Executive Director Teri Ouimette was also present at the meeting.

1. **Motion** by Bauer, seconded by Olson to approve the minutes of the September 6, 2016 Board of Public Works meeting. **All present voting aye. MOTION CARRIED.**

2. Teri Ouimette appeared to support Chippewa Falls Main Streets attached request for a street use permit to close Bridge Street, (Cedar Street to Spring Street), to traffic on Halloween, (October 31, 2016), between the hours of 2:30 p.m. and 5:15 p.m. Intersecting cross streets would remain open. The main reason for the request is for the safety of the 3000 to 5000 participants anticipated for the downtown trick or treating event. The Board discussed the recent similar closing of Bridge Street for the Paint the Town Pink event and noted many positive comments. The consensus that the Board reached was that this Halloween event is a community event and not to charge Main Street for the Public Works or Police services
Motion by Hoffman, seconded by Rubenzer to recommend the Common Council approve the Street Use Permit request from Chippewa Falls Main Street to close Bridge Street, (Cedar Street to Spring Street), on Halloween, October 31, 2016 from 2:30 p.m. to 5:15 p.m. for Halloween participant safety. In addition, to not charge Main Street for the associated requested Public Works and Police services. **All present voting aye. MOTION CARRIED.**

3. The Board discussed the attached request for a wider than 35 foot, (68') driveway for Spectrum Industries on Fleet Street. The existing driveway is 68' wide and is for the Spectrum Industries building, (former Pactiv), located at 1500 West River Street. Director of Public Works Rubenzer stated this is a very low volume traffic street and he had no issues with approving the request.
Motion by Olson, seconded by Bauer that the Board of Public Works approve a 68' wide reconstruction of an existing 68' wide driveway onto Fleet Street from the Spectrum Industries building located at 1500 West River Street. **All present voting aye except Senn who recused himself and abstained from the vote. MOTION CARRIED.**

4. **Motion** by Senn, seconded by Olson to adjourn. **All present voting aye. MOTION CARRIED.** The Board of Public Works meeting adjourned at 5:46 P.M.

 - 1) Receipt of the \$100 Certified Survey Map review fee.
 - 2) The property owner or the surveyor record the Certified Survey Map and provide the Engineering Department with a recorded copy.**All present voting aye. Motion carried.**

Paul Hansen appeared to request a temporary waiver of the requirement to hard surface the parking and drive areas around the proposed Star Blend facility. Mr. Hansen stated that future municipal water and sewer service locations from the street were unknown and he didn't want to remove "new" blacktop. Secretary Rubenzer noted that municipal water and sewer main installation would probably be years away but that the water and sewer locations in the building are known so a forty or fifty foot wide strip could be left out of the paving. Mr. Hansen requested a year waiver after building completion and giving Star Blends a chance to observe the traffic flow around the building. Commissioner Arneberg asked about dust control. Mr. Hansen explained that he didn't believe there would be a large volume of traffic and not much dust production.

Motion by Smith, seconded by Varga to grant Star Blends a temporary waiver of the requirement to hard surface the parking lots and drive areas around their proposed building until November 30, 2018. **All present voting aye. Motion carried.**

3. **Motion** by Hubbard, seconded by Doughty to adjourn. **All present voting aye. Motion carried.** The Plan Commission adjourned at 6:48 P.M.

SURFACING. (Am. #05-26) Any off-street parking area, other than that provided for single-family and two-family dwelling units, having a capacity for more than 4 vehicles shall be hard surfaced and maintained in a reasonable dustless condition, except that, subject to Plan Commission approval, this requirement may be waived temporarily or permanently as provided for in subs. (a) and (b) below. The Plan Commission shall find that if a waiver is approved for an unimproved surface that it will not result in a public nuisance or pose a potential danger to adjacent properties or the public right-of-way due to erosion, blowing dirt or dust, or ponding of water. The Plan Commission may require conditions for approval.

(a)

Temporary waivers may be allowed by the Plan Commission where it finds that future development or change in use of the property would remove or change the parking planned for paving.

(b)

Permanent waivers may be allowed by the Plan Commission where it finds the limited use of the parking area does not warrant the need for a hard surface, such as special event parking or seasonal parking, or the parking area is not required parking or is a storage yard area.

MINUTES
COMMITTEE #1
REVENUES, DISBURSEMENTS, WATER AND WASTEWATER
October 13, 2016

Committee #1 - Revenues, Disbursements, Water and Wastewater met on Thursday, October 13, 2016 at 9:00 AM in the Council Chambers, City Hall, 30 West Central Street, Chippewa Falls, WI.

Committee Members present: Rob Kiefer, John Monarski, Brent Ford.

Mayor/Other Council Members present: Paul Nadreau.

Others present: Finance Manager/Treasurer Lynne Bauer, Utility Office Manager Connie Freagon, Police Chief Matt Kelm, Police Lieutenants Brian Micolichek and Dave Bebeau, Street & Utility Maintenance Manager Rick Ruf, Lead Janitor Scot Michels, and Parks & Recreation Director Dick Hebert.

Call to Order: 9:00 AM

1. Discuss funding for Police Department elevator repairs. Possible recommendations to the Council.

The Committee discussed quotes for elevator repairs at the Police Department. The cost to repair the oil pump is \$1,069 and to repair rust damage in the elevator pit is \$3,736. In addition, two estimates have been received from Bohl & Proulx and Geissler Plumbing to install sump pumps. The estimates need to be reviewed as it doesn't appear the companies are providing the same service. Chief Kelm indicated the monies can come from the 2016 budgeted amount of \$5,400 that they will not be using for the computer CAD license. Additional funding could come from the gas account as it appears that account should come in under budget for 2016. The committee also discussed that electricity could be installed so the pumps automatically turn on and off. An estimate will be obtained for that and reviewed at a future meeting.

Motion by Ford/Monarski to recommend the Council approve funding for the elevator repairs from the 2016 Police Budget. All present voted aye. Motion carried.

2. Discuss parking ticket fine amounts. Possible recommendations to the Council.

The Committee briefly discussed parking fine amounts. More research will be done as to what other communities are charging. This issue will be discussed at a future meeting.

No action taken.

3. Discuss 2017 budget process, timeline and preliminary issues affecting the budget.

The Committee set budget meetings for Tuesday's at 8 AM commencing with October 18.

No action taken.

4. Adjournment.

Motion by Ford/Monarski to adjourn at 9:37 AM. All present voted aye. Motion carried.

Terms and Conditions.

Braun ThyssenKrupp Elevator Corporation assumes no responsibility for any part of the elevator equipment except that upon which work has been done under this agreement. No work, service, examination or liability on the part of us other than that specifically mentioned herein is included or intended. It is agreed that Braun ThyssenKrupp Elevator Corporation does not assume possession or control of any part of the equipment and that such remains Purchaser's exclusively as the owner, lessor, lessee, possessor, or manager thereof.

Our performance of this contract is contingent upon your furnishing us with any necessary permission or priority required under the terms and conditions of government regulations affecting the acceptance of this order or the manufacture, delivery or installation of the equipment.

Braun ThyssenKrupp Elevator Corporation has made no examination of, and assumes no responsibility for, any part of the elevator equipment except that necessary to do the work described in this proposal.

It is agreed that Braun ThyssenKrupp Elevator Corporation's personnel shall be given a safe place in which to work and Braun ThyssenKrupp Elevator Corporation reserves the right to discontinue our work in the building whenever, in our sole opinion, this provision is being violated.

You agree that in the event asbestos material is knowingly or unknowingly removed or disturbed in any manner at the job site by parties other than employees of Braun ThyssenKrupp Elevator Corporation or those of our subcontractors, the work place will be monitored, and prior to and during our presence on the job, Purchaser will certify that asbestos in the environment does not exceed .01 fibers per cc as tested by NIOSH 7400. In the event our employees, or those of our subcontractors, are exposed to an asbestos hazard, PCB's or other hazardous substances resulting from work of individuals other than our employees, or those of its subcontractors, you agree to indemnify, defend, and hold Braun ThyssenKrupp Elevator Corporation harmless from any and all claims, demands, lawsuits, and proceedings brought against us, or our employees resulting from such exposure. You recognize that your obligation to Braun ThyssenKrupp Elevator Corporation under this clause includes payment of all attorneys' fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims or lawsuits. Removal and disposal of asbestos containing material is your responsibility.

Unless otherwise agreed, it is understood that the work will be performed during regular working hours of the trades involved. If overtime is mutually agreed upon, an additional charge at our usual rates for such work shall be added to the contract price.

In consideration of Braun ThyssenKrupp Elevator Corporation performing the services herein specified, Purchaser expressly agrees to indemnify, defend, save harmless, discharge, release and forever acquit Braun ThyssenKrupp Elevator Corporation, its employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings brought against Braun ThyssenKrupp Elevator Corporation, its employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the equipment which is the subject matter of this Work Order), personal injury or death that are alleged to have been caused by the Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the equipment covered by this Work Order, or the associated areas surrounding such equipment. Purchaser's duty to indemnify does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Work Order), personal injury or death is determined to be caused by or resulting from the negligence of Braun ThyssenKrupp Elevator Corporation and/or its employees. Purchaser recognizes that its obligation to Braun ThyssenKrupp Elevator Corporation under this clause includes payment of all attorney's fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims or lawsuits.

Such insurance must insure Braun ThyssenKrupp Elevator Corporation, along with its officers, agents, affiliates and subsidiaries for those claims and/or losses referenced in the above paragraph, and for claims and/or losses arising from the sole negligence or responsibility of Braun ThyssenKrupp Elevator Corporation and/or its officers, agents, affiliates and subsidiaries. Such insurance must specify that its coverage is primary and non-contributory. Purchaser hereby waives the right of subrogation.

Braun ThyssenKrupp Elevator Corporation shall not be liable for any loss, damage or delay caused by acts of government, labor, troubles, strikes, lockouts, fire, explosions, theft, riot, civil commotion, war, malicious mischief, acts of God, or any cause beyond its control, and in no event shall

Braun ThyssenKrupp Elevator Corporation shall automatically receive an extension of time commensurate with any delay regarding the work called for in this Work Order and Purchaser expressly agrees to release and discharge Braun ThyssenKrupp Elevator Corporation from any and all claims for consequential, special or indirect damages arising out of the performance of this Work Order.

Should loss of or damage to Braun ThyssenKrupp Elevator Corporation's material, tools or work occur at the erection site, Purchaser shall compensate Braun ThyssenKrupp Elevator Corporation therefore, unless such loss or damage results from our own acts or omissions.

Purchaser agrees that all existing equipment removed by Braun ThyssenKrupp Elevator Corporation shall become the exclusive property of Braun ThyssenKrupp Elevator Corporation.

Braun ThyssenKrupp Elevator Corporation retains title to all equipment supplied by us under this contract, and a security interest therein, (which, it is agreed, can be removed without material injury to the real property) until all payments under the terms of this contract, including deferred payments and any extension is thereof, shall have been made. In the event of any default by you in the payment, under any other provision of this contract, Braun ThyssenKrupp Elevator Corporation may take immediate possession of the manner of its attachment to the real estate or the sale, mortgage, or lease of the real estate. Pursuant to the Uniform Commercial Code, at Braun ThyssenKrupp Elevator Corporation's request, Purchaser agrees to join with Braun ThyssenKrupp Elevator Corporation in executing any financing or continuation statements, which may be appropriate for us to file in public offices in order to perfect our security interest in such equipment.

Certificates of Workmen's Compensation, Bodily Injury and Property Damage Liability Insurance coverage will be furnished to purchaser only upon written request. The premium for any bonds or insurance beyond our standard coverage and limits will be an addition to the Work Order price set forth in this agreement.

If any drawings, illustrations or descriptive matter are furnished with this proposal, they are approximate and are submitted only to show the general style and arrangement of equipment being offered.

Purchaser shall bear all cost(s) for any reinspection of Braun ThyssenKrupp Elevator Corporation's work due to items outside the scope of this agreement or for any inspection arising from the work of other trades requiring the assistance of Braun ThyssenKrupp Elevator Corporation.

The price of this work described above does not include applicable sales and/or use taxes or fees for necessary permits and/or licenses unless specifically provided for elsewhere in this Work Order. Even in the event that any of those items have been specifically included elsewhere in this Work Order, Purchaser agrees to pay Braun ThyssenKrupp Elevator Corporation, as an extra, for any change in the amount and/or cost of those items as required by any applicable statute, law, or governmental act enacted or modified after the date that Braun ThyssenKrupp Elevator Corporation first submitted this Work Order to Purchaser.

A service charge of 1 1/2% per month, or the highest legal rate, whichever is more,, shall apply to delinquent accounts. In the event of any default of the payment provisions herein, Purchaser agrees to pay, in addition to any defaulted amount, all attorney fees, collection costs or court costs in connection therewith.

In the event a third party is retained to enforce, construe or defend any of the terms and conditions of this Work Order or to collect any monies due hereunder, either with or without litigation, the prevailing party shall be entitled to recover all costs and reasonable attorney's fees.

Purchaser hereby waives trial by jury. Purchaser agrees that this agreement shall be construed and enforced in accordance with the laws of the state where the equipment is located. Purchaser consents to jurisdiction of the courts, both state and Federal, of the state in which the equipment is located as to all matters and disputes arising out of this agreement.

The rights of Braun ThyssenKrupp Elevator Corporation under this agreement shall be cumulative and the failure on the part of the Braun ThyssenKrupp Elevator Corporation to exercise any rights given hereunder shall not operate to forfeit or waive any of said rights and any extension, indulgence or change by Braun ThyssenKrupp Elevator Corporation in the method, mode or manner of payment or any of its other rights shall not be construed as a waiver of any of its rights under this agreement.

In the event any portion of this agreement is deemed invalid or unenforceable by a court of law, such finding shall not affect the validity or enforceability of any other portion of this agreement.

In the event Purchaser's acceptance of the work called for in this Work Order is in the form of a purchase order or other kind of document, the provisions, terms and conditions of this Work Order shall exclusively govern the relationship between the parties.

1. Call to order by Beth Arneberg at 6:00 p.m.
Roll Call: Members Present: Audrey Stowell, Rob Kiefer, Carmen Muenich, Beth Arneberg and Heidi Hoekstra. Absent: Dale Berg.
Staff present: Dick Hebert and Josh Kriesel.
2. Approval of September 13, 2016, Minutes: **Motion by Muenich/Hoekstra to approve September 13, 2016, minutes. Motion carried.**
3. Personal Appearances By Citizens. None.
4. Discuss / Consider Special Event Applications:
 - a. United Way Community Block Party. Dick Hebert presents that the United Way Community Block party is an annual event, which is scheduled for Saturday, September 9, 2017. The Activity Building & Pavilion are both utilized and reserved. They should have a place to set up on Friday and store items overnight. Because this is a community event and not a fundraiser, Hebert proposes waiving the fee for the activity building on Friday. This past year, there were approximately 1,200 people who participated in the event. Parking concerns were discussed. It was also discussed that this is an event that may soon be too large to hold at Irvine Park. **Motion by Arneberg/Stowell to approve the event with past practice with the exceptions of waiving the reservation fee for the activity building on Friday and addressing parking concerns. Motion carried.**
5. Discuss/Consider:
 - a. Discuss Irvine Park Wayfinding Study. Phil Johnson and Thomas Ramsey of Ayres Associates present their findings so far. They are in the inventory and analysis stage of the study. They have reviewed behavioral, environmental, and operational elements; entrance destinations; activity areas; and circulation characteristics. They have identified the main thoroughfare in front of the zoo as one of the predominate-use areas and greatest vehicle / pedestrian conflict; they have also identified bear den road as being underutilized. From the Board, they sought characteristics and traits of how the community views the park, why they go and what they appreciate. They will utilize the answers in the design and development stage. Items discussed included limiting access at S, bear den road, neighborhood feel of Flag Hill, yearly number of vehicle use, and the need for off-road trail connectivity in the lower areas of the park. Dick Hebert will provide the vehicle use study done at the time of the capital campaign. The next step will be determining schematic design of signs, including style, color, material, font, hierarchy & wayfinding. Design development includes matrix of sign type and location as well as wayfinding report. Ayres will review schematic & design development and return in November. A final plan should be complete and discussed in December.

- b. Discuss Chippewa Riverfront Logo for Council Approval. Hebert presents the four logo options presented by the City. After discussion, #2 was selected for recommendation to the City Council.
 - c. Discuss Marshall Park Master Plan. Dick Hebert distributed the Marshall Park Master Plan that was developed in 2012. This should be reviewed as to the location of the skate park. There is a fundraising effort for improvements that will include putting down a new concrete pad. The future location of the skate park needs to be finalized before that takes place.
 - d. Recreation Report. Josh indicates that there have been some early entries for the Run for the Lights benefitting the Christmas Village. Adult volleyball and basketball leagues will be starting.
 - e. Director's Report. Dick Hebert highlights the many "Best Places" categories awarded to Irvine and other parks in Volume One.
6. Approve Claims. Claims reviewed. **Motion by Muenich/Kiefer to approve claims of \$125,757.10. Motion carried.**
7. Park Board Members' Concerns or Comments. None.
8. Adjournment. **Motion by Muenich / Hoekstra to adjourn at 7:40 p.m. Motion carried.**

Re: Development Agreement – Wisconsin Real Property Investments, LLC

Dear Jayson:

I represent Wisconsin Real Property Investments, LLC (“WRPI”). This letter follows up on the conversations I have had with City Attorney Robert Ferg, you, and also with Mayor Hoffman concerning the Development Agreement entered into on April 7, 2015 between the City of Chippewa Falls and WRPI (“Agreement”). For your convenience, a copy of the Agreement is included with this letter.

WRPI is working towards selling a portion of the real property and improvements it owns to Genesis Investment Properties, LLC. I provided Mayor Hoffman with the purchaser’s website: www.genesis-ip.com which provides additional information about Genesis. As may be found there, Genesis Investments Properties, LLC is a real estate investment, development and management company based in New Jersey which manages a nationwide portfolio valued at over \$300 million. I understand that yesterday, you, Mayor Hoffman, and Rick Rubenzer had a positive telephone conversation with representatives of WRPI, Dave Schafer and Robb Majeski, and the purchaser’s representative, Michael Gale, Vice President of Acquisitions & Business Development in order to familiarize the City with the proposed purchaser.

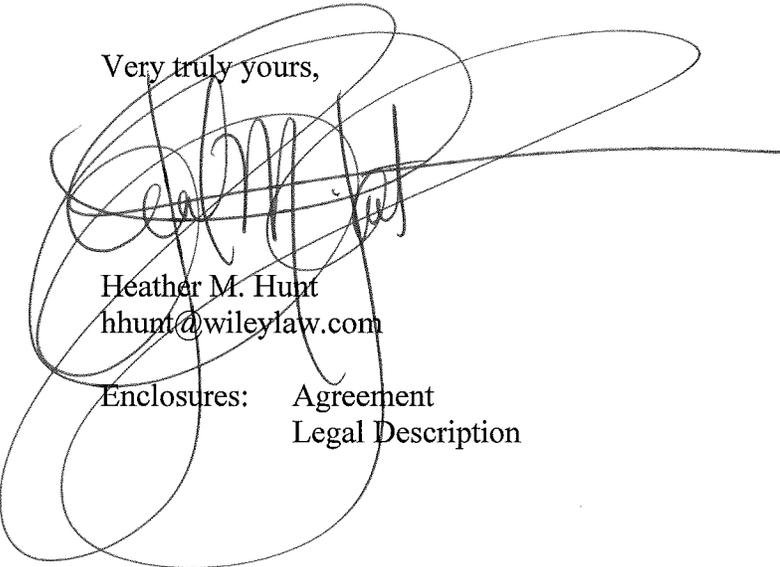

The portion of the property being sold is located at 303 East Prairie View Road in Chippewa Falls and consists of the strip mall and Gordy’s grocery store real estate and improvements. The legal description of such property is included with this letter.

WRPI has completed all of its obligations under the Agreement. The remaining obligations pertain to the payment by the City of the Development Funds as outlined in Section 3, and at the closing on the sale of the property, WRPI needs to assign its rights under the Agreement to the purchaser. Under the terms of the Agreement, the City needs to consent to such assignment.

Therefore, WRPI respectfully requests that assuming the transaction closes with the proposed purchaser, that the City consent to WRPI assigning its rights under the Agreement to the purchaser, Genesis Investment Properties, LLC or a subsidiary of that entity.

I understand that the City Council needs to approve this request and ask that this item be placed on the Council's agenda for its October 18th meeting. If any additional information is needed in connection with this request, please let me know.

Very truly yours,

Heather M. Hunt

WISCONSIN REAL PROPERTY INVESTMENTS, LLC DEVELOPMENT AGREEMENT
TAX INCREMENTAL DISTRICT NO. 13

THIS AGREEMENT is entered into as of this 7th day of April, 2015 between the City of Chippewa Falls, Wisconsin (the "City") and Wisconsin Real Property Investments, LLC ("WRPI, LLC");

WHEREAS, WRPI, LLC has acquired certain property in Tax Incremental District No. 13 described in Exhibit A (the "Property");

WHEREAS, the City has established Tax Incremental District No. 13 (the "District"), which includes the Property, in order to finance certain project costs and incentives within the District as permitted under Wis. Stats. § 66.1105;

WHEREAS, WRPI, LLC plans to renovate the Property consistent with the City's zoning of the Property and as further described in the schedule of estimated construction costs, attached hereto as Exhibit B (the "Improvements");

WHEREAS, WRPI, LLC has indicated it would not undertake the Improvements without the use of tax incremental financing to fund a portion of such Improvements as provided for below.

NOW, THEREFORE, the City and WRPI, LLC, for the good and valuable consideration described below and in further consideration of the timely and full performance by WRPI, LLC of the additional obligations, terms, conditions, payments and responsibilities set forth below, receipt of which is hereby acknowledged, do agree as follows:

1. PURPOSE OF THE AGREEMENT

A. The described Property is located in the District and is intended to be improved by WRPI, LLC. The Common Council of the City hereby finds and determines that the Improvements will enhance and benefit the City, promote development, add or retain existing jobs in the City and add to the value of this portion of the City.

B. For these purposes, WRPI, LLC is hereby entering into this Agreement with the City in order to undertake the Improvements and develop said Property consistent with such overall and particular City plans, and in such matters, will produce revenues to the City through increased equalized value of real and personal property, tax increments and tax payments

sufficient and required under this Agreement to repay certain City tax incremental financing ("TIF") expenditures and related costs and expenses within the District. The terms of this Agreement are beneficial to WRPI, LLC.

C. By approving and entering into this Agreement, the Common Council of the City finds and determines that the Agreement and Improvements are in the best interests of the City and of benefit to the community.

D. The further purpose of this Agreement is to facilitate the construction of the Improvements on the Property which shall increase the value of the Property and the City. This purpose shall more than adequately meet and greatly facilitate the intent and goals of the City and its land use development plans for the District. WRPI, LLC acknowledges that the City is only able to reimburse certain costs on the Property through the Project Plan for the District pursuant to applicable Wisconsin Statutes which enable the City to receive and utilize specifically designated future real and personal property tax revenues from the Property as generated by the Improvements thereon which increase the overall equalized value of the City. Further, by law, the City must use such increased incremental tax revenues generated by such Improvements to repay its District development costs and related costs and expenses. But for WRPI, LLC's promises and agreements herein and representations herein and otherwise, the City would not enter into this Agreement. The City relies and relied upon such representations, promises and agreements of WRPI, LLC for all of the City's purposes arising from creating the District and undertaking the Project.

2. THE AGREEMENT

A. In consideration of WRPI, LLC's construction of the Improvements on the Property and performance by WRPI, LLC of each and every of its other obligations set forth in this Agreement, but only in the event WRPI, LLC fulfills each and every obligation not otherwise waived in writing by the City, the City shall reimburse WRPI, LLC in the amount of Two Hundred Fifty Thousand Dollars (\$250,000) for costs of the Project which are described in Exhibit B, provided that said reimbursement shall be paid as provided in Section 3 below.

B. WRPI, LLC shall:

1. Redevelop the Property as described in Exhibit B fully and solely at the expense of WRPI, LLC, at no cost or expense whatsoever to the City except as set forth below, and in compliance and conformity with: each and every of the governmental approvals and permits granted and/or issued by the City pertaining thereto; and all applicable City, federal, state, county and other ordinance and any pertinent provisions of the District Project Plan.

The establishment of the District and the entering into this Agreement shall not obligate the City to grant variances, exceptions or conditional use grants.

2. Fully complete construction and equipping of the project located on the Property as described in Exhibit B, which shall increase the actual real property equalized fair market valuation of the Property by an estimated Two Million Dollars (\$2,000,000) and in doing so shall incur Project costs expected to be \$3,489,070 as represented by WRPI, LLC and provided for in Exhibit B.

3. Pay all real estate and personal property taxes levied on the Property promptly on or prior to their due date.

3. PAYMENT OF DEVELOPMENT FUNDS

Upon satisfaction of the conditions set forth below, the City agrees to pay WRPI, LLC in the principal amount of \$250,000, payable solely from certain Tax Increment (defined below) which are available and appropriated by the Common Council for that purpose. In each year, beginning in 2017 and ending in 2026, the Tax Increment generated by the Property which is in excess of the City Costs (defined below) shall, subject to annual appropriation by the Common Council, be paid to WRPI, LLC in payment of principal up to \$250,000. The City may, in its absolute and sole discretion, but is not obligated to, apply other tax increment revenues generated by the District to prepayment of the \$250,000 at any time.

"Tax Increment" for the purposes of this Agreement is defined as the property tax on the increased value of the Property over the value of the Property as of January 1, 2015, as determined by the City assessor, and which constitutes only a portion of tax increment as more specifically defined in Wis. Stats. §66.1105(2)(i).

"City Costs" shall mean the City's costs associated with creating Tax Increment District No. 13, in an aggregate amount not exceeding \$10,000.

The Payment Date in each year shall be the date which is the earlier of (a) October 15 and (b) ninety (90) days after the City has received full payment of all real and personal property taxes due to be paid with respect to the Developer's Property in that year. The Final Payment Date shall be in the year 2026 and the city's obligation to prepay all or any portion of the \$250,000 shall terminate with the final payment on the Final Payment Date

The \$250,000 may be prepaid at any time at the option of the City in its sole and absolute discretion.

The \$250,000 shall be payable solely from tax increments derived from the Property generated by value in excess of the value of the Property as of January 1, 2015 which have been received and retained by the City in accordance with the provisions of Section 66.1105 of the Wisconsin Statutes ("Tax Increment") which are in excess of the City Costs (defined below), and which are appropriated by the Common Council to the payment of the \$250,000 principal (collectively, the "Revenues").

The City may enter into other development agreements with respect to property in TID No. 13, but will not utilize the Tax Increment which, this Agreement provides, will be applied to payment of the \$250,000 under such development agreements. Any Tax Increments which this agreement provides will not be used prior to (i) the Final Payment Date of this agreement or (ii) payment in full of the \$250,000; whichever comes first.

Payment of the \$250,000 to WRPI, LLC from the Tax Increment generated by the property shall end in 2026. If, on the Final Payment Date, amounts remain outstanding and unpaid, the remaining balance of the \$250,000 shall be deemed paid in full, it being understood that with the payment made on the Final Payment Date, the obligation of the City to make any further payments on the \$250,000 shall terminate. The City shall have no obligation to pay any amount of the \$250,000 which remains unpaid after the Final Payment Date and WRPI, LLC shall have no right to receive payment of such amounts.

4. DEFAULT

In the event that either the City or WRPI, LLC defaults under any material terms or conditions of this Agreement, the defaulting party shall be responsible for all costs and expenses incurred by reason of such default including, but not limited to, any legal expenses incurred by the non-defaulting party. The rights and remedies of the non-defaulting party shall not be limited to those, if any, specified in this Agreement, but the non-defaulting party shall have all rights and remedies to which it may be entitled, either at law or in equity. In the event that WRPI, LLC defaults, then the City shall have the right to suspend or reduce, in its discretion and at its sole option, payments of the \$250,000 under paragraph 3 above, until such time as WRPI, LLC cures its default.

Whenever any default occurs and any party to this Agreement shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement or performance or observance of any obligation or agreement on the part of a party herein contained, the unsuccessful party agrees that it shall pay to the successful party, on demand, the reasonable attorneys fees, including any time spent by the City Attorney, and other expenses so incurred by the successful party.

5. CONDITIONED ON APPROVAL

This Agreement shall be conditioned on approval of TID No. 13 by all required authorities.

6. ASSIGNMENT OF AGREEMENT

This Agreement shall not be assignable by WRPI, LLC without the prior written consent of the City, except that WRPI, LLC may make a collateral assignment of this Agreement to its lender as part of a mortgage on the Property.

7. SUCCESSORS AND ASSIGNS

This Agreement shall be binding upon the successors and assigns of WRPI, LLC; however, this provision shall not constitute an authorization for the Developer to assign or transfer its rights and obligations under this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date stated in the first paragraph of this Agreement.

Chippewa Commons Revitalization & Remodel

Wisconsin Real Property Investment's LLC (WRPI), a joint venture between Shafer Properties and Cottagewood Group Development is currently in the process of revitalizing and remodeling the Chippewa Commons shopping center. We purchased the property on December 19th, 2014 from Agree Realty Corporation of Michigan, a publicly traded Real Estate Investment Trust (REIT). At the time of purchase the retail shopping center formerly anchored with grocery and the entire center anchored by Kmart sat nearly 35% vacant. Agree realty certainly had the contacts and the financial means to fill the shopping center in a good retail environment, however, that is not the current environment we live in. When Gordy's stepped up to reopen the grocery store we knew we needed to aggressively update the Chippewa Commons shopping center with a new look and feel in order to stimulate new retailers to look at and consider the shopping center as a location they would be interested in locating.

WRPI has an aggressive plan to revitalize the Chippewa Commons shopping center starting with the remodel and tenancy of Gordy's in the 46,000 SF anchor location of the site. The entire 46,000 SF will be gutted and completely rebuilt for Gordy's. The entire space will be new with all new cases, shelving, décor, flooring, paint, checkouts, bakery, deli and smokehouse equipment when Gordy's opens for business in the second quarter of 2015. Below is the cost of the improvements for Gordy's inside & out that will be taking place this spring with a tentative opening date at the end of the second quarter 2015.

Interior Demolition	\$73,800
Interior Improvements	\$773,605
Back of House Equip. Smoker / Deli / Bakery	\$500,000
Cases / Coolers / Interior Décor / HVAC	\$906,206
Exterior Façade Improvements	\$300,000
Parking Lot Improvement	\$80,000
<u>Parking Lot Lighting (Grocery)</u>	<u>\$12,500</u>
Total for Grocery Store Improvements	\$2,646,111

In addition to the grocery store interior and exterior improvements, WRPI is planning on exterior improvements to the entire parking lot, and façade of the strip center that includes current tenants like Dollar Tree, Cherry Pickers, Fantastic Sam's, Cardinal Family Eye Care, and H&R Block. The Remodeling and repairs will begin in the 3rd quarter of 2015 and be completed in the 4th quarter of 2015, these improvements include the following items.

Exterior Façade Improvements	\$430,459
Parking Lot and Curb Drainage	\$40,000
Parking Lot Improvements (Strip Center / Kmart)	\$360,000
<u>Parking Lot Lighting (Strip Center / Kmart)</u>	<u>\$12,500</u>
Total for Strip Center Improvements	\$842,959

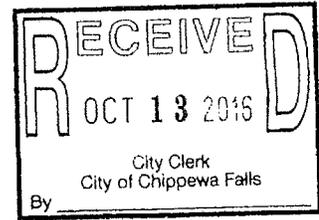

TOTAL 2015 PROJECT COSTS **\$3,489,070**

The opening of Gordy's at Chippewa Commons will create 75 full time equivalent jobs. Gordy's anticipates \$210,000 per week in grocery sales and nearly \$1,000,000 in NEW annual wages to the employees of the Gordy's Chippewa Commons location. We recognize the importance of having a grocery store on the south side of Chippewa Falls, but as important as that is, the new traffic that is generated by Gordy's being open will help support the existing shops and stores at Chippewa Commons. Each store provides a different and important service that if lost to the south side of Chippewa Falls would be a loss for the community as a whole.

The improvements we are in the process of and completing in 2015 do not include any material changes or update to the former Kmart building. Regardless of what future tenant decided to take the former Kmart space we will need to make extensive updates to that building which will certainly increase the future value of that parcel as well.

Description of Incident:

I was driving to work on the morning of 10-11-16. I was traveling west on Bay St. As I approached the intersection of Bay St and Island St I merged to the right a bit so I could get into the lane to go straight at the intersection of Bay & Main Sts. When I merged to the right I heard a loud noise and me and the car bounced around. I then heard metal scraping on the road so I turned into the Burger King parking lot and saw both passenger tires were flat and both rims damaged. I put on factory spare and had to call my girlfriend to bring me the only other tire I had for the car from our residence in Cornell.
