MINUTES OF THE REGULAR MEETING OF THE COMMON COUNCIL

The regular meeting of the Common Council of the City of Chippewa Falls was held on Tuesday, August 1, 2017 in the City Hall Council Chambers. Mayor Greg Hoffman called the meeting to order at 6:30 pm. The Pledge of Allegiance was recited.

CLERK CALLS THE ROLL

Council Members present: John Monarski, Rob Kiefer, CW King, Chuck Hull, Paul Olson, Paul Nadreau, and Robert Hoekstra.

Also Present: City Attorney Robert Ferg, Finance Manager/Treasurer Lynne Bauer, City Planner/Transit Manager Jayson Smith, Director of Public Works/City Engineer/Utilities Manager Rick Rubenzer, Police Chief Matthew Kelm, Parks and Recreation Director Dick Hebert, City Clerk Bridget Givens, and those on the attached sign-in sheet.

APPROVAL OF MINUTES OF PREVIOUS MEETING

(a) Motion by Hoekstra/Hull to approve the minutes of the Regular Council Meeting of July 18, 2017. **All present voting aye, motion carried.**

PERSONAL APPEARANCES BY CITIZENS - None

PUBLIC HEARINGS - None

COMMUNICATIONS - None

REPORTS

(a) Motion by Kiefer/Hull to approve the Board of Public Works minutes of July 24, 2017. Rubenzer advised that in relation to Item #2 in the minutes, the Board of Public Works cannot create an island by annexation. The property east of the Citizens State Bank property would need to annex into the City too. It was suggested that the owner of that property be contacted to see if there is interest in annexation. Neil Mathwig appeared on behalf of Citizens State Bank and understands the easement is contingent upon annexation of the neighboring property. **Roll Call Vote: Aye – Kiefer, Hull, Olson, Nadreau, Hoekstra, Monarski, King. Motion carried.**

COUNCIL COMMITTEE REPORTS

(a) Motion by Hoekstra/Nadreau to approve the Committee #1 Revenues, Disbursements, Water, and Wastewater minutes of July 26, 2017. **Roll Call Vote: Aye – Hoekstra, Nadreau, Monarski, Kiefer, King, Hull, Olson. Motion carried.**

(b) Motion by Kiefer/Monarski to approve the Committee #2 Labor Negotiations, Personnel, Policy and Administration minutes of August 1, 2017. **Roll Call Vote: Aye – Kiefer, Monarski, King, Hull, Nadreau, Hoekstra; No – Olson. Motion carried.**

APPLICATIONS

(a) Motion by King/Olson to approve the Operator (Bartender) Licenses as approved by the Police Department. **All present voting aye, motion carried.**

Motion by Monarski/Nadreau to consider items (b) – (g) in one motion. **All present voting aye, motion carried.**

Motion by Monarski/Nadreau to approve items (b) – (g) as follows:

(b) Street Use Permit Application from Wendy Hutton for the Loop de Lori Triathlon and 5K to be held on September 9, 2017 from 10:00 am – 1:00 pm utilizing various City Streets.

(c) Street Use Permit Application from the Northern WI Antique Dealers Association to place a sandwich sign at Allen Park on September 27 - October 1, 2017 to direct visitors to the antique show being held at the Northern Wisconsin State Fairgrounds, 225 Edward Street.

(d) Street Use Permit Application from Dan Sweeney of the Chippewa Candy Shop, 322 N Bridge Street, to utilize two parking spots in front of the store on August 3 – 4, 2017 from 6:00 am – 7:00 pm to place trailers for dumping construction debris.

APPLICATIONS (continued)

(e) Street Use Permit Application from the Chippewa Falls Public Library for the Summer Book Sale to be held on August 9 – 12, 2017 utilizing the west side of the library parking lot.

(f) Sidewalk Use Permit from the Chippewa Falls Public Library to place a sandwich sign on the sidewalk adjacent to the library advertising the Summer Book Sale.

(g) Application for Temporary Class “B” Beer Retailer’s License from the Wisconsin Baseball Association over Thirty-Five League for the Wisconsin Baseball Association over Thirty-Five State Baseball Finals to be held at Casper Park on August 25 – 27, 2017.

All present voting aye, motion carried.

PETITIONS - None

MAYOR ANNOUNCES APPOINTMENTS - None

MAYOR’S REPORT - None

REPORT OF OFFICERS - None

ORDINANCES

(a) The First Reading of **Ordinance #2017-12 Entitled:** An Ordinance Amending Section, § 17.29 C-2 General Commercial District and Section, §17.31 C-4 Highway Commercial District of the City of Chippewa Falls Municipal Code, Chippewa Falls, Wisconsin was held.

RESOLUTIONS

(a) **Motion by King/Kiefer** to approve **Resolution #2017-35 Entitled:** Preliminary Resolution Declaring Intent to Levy Special Assessments Under Chapter 66.0701 Wisconsin Statutes & Chapter 3.08 of the Code of Ordinances of the City of Chippewa Falls, Wisconsin. **Roll Call Vote: Aye – King, Kiefer, Hull, Olson, Nadreau, Hoekstra, Monarski. Motion carried.**

(b) **Motion by Olson/Nadreau** to approve **Resolution #2017-36 Entitled:** Resolution (regarding resurfacing alleys in the downtown area). **Roll Call Vote: Aye – Olson, Nadreau, Hoekstra, Monarski, Kiefer, King, Hull. Motion carried.**

(c) **Motion by King/Olson** to table **Resolution #2017-37 Entitled:** Resolution Concerning Completion of Willow Creek Subdivision Phase III Utilities and Infrastructure until such time as the “punch list” items that need to be completed are addressed. **All present voting aye, motion carried.**

(d) **Motion by Hoekstra/King** to approve **Resolution #2017-38 Entitled:** Resolution Regarding Exemption from Library Levy. **Roll Call Vote: Aye – Hoekstra, King, Hull, Olson, Nadreau, Monarski, Kiefer. Motion carried.**

OTHER NEW OR UNFINISHED BUSINESS AS AUTHORIZED BY LAW

(a) Parks and Recreation Director Dick Hebert and Ron Bakken of Fish Chippewa! provided a document entitled Erickson Park Financial Report and reviewed the details thereon including cost estimates, revenues, and planned construction timeline.

(b) Hebert advised that the City received a WI DNR grant in the amount of \$38,500 for the Glen Loch Fishing Pier. Councilor Hoekstra expressed concern that there is still roughly \$400K that needs to be raised for the project, and that the request would be made for the City to offset the difference. Mayor Hoffman advised that when the project was undertaken, it was communicated that City funds would not be expended to complete the project.

(c) Hebert advised that the City received a WI DNR grant in the amount of \$87,965 for the City of Chippewa Falls Glen Loch Boat Access. Hebert stated that the federal grant funds that the City has received are matching grants which cannot be matched with other grant funds.

Motion by Monarski/Olson to combine items (b) – (c) above and consider them in one motion. **All present voting aye, motion carried.**

Motion by Monarski/Nadreau to approve the grant agreements in the amounts of \$38,500 and \$87,965 and authorize the Mayor to execute the agreements. **Roll Call Vote: Aye – Monarski, Nadreau, Kiefer, King, Hull, Olson; No – Hoekstra. Motion carried.**

OTHER NEW OR UNFINISHED BUSINESS AS AUTHORIZED BY LAW (continued)

(d) Finance Manager/Treasurer Bauer indicated that Ayres Associates will be preparing the bid specs for the library roof; however, their initial proposal did not include asbestos investigation. Ayres submitted a separate proposal for asbestos investigation in the amount of \$1,700 and Air Tech Environmental Services, Inc. submitted a proposal for \$550. Both companies are certified for this type of work. **Motion by Hoekstra/Kiefer** to accept the proposal of Air Tech Environmental Services, Inc. for asbestos investigation on the library roof in the amount of \$550. **Roll Call Vote: Aye - Hoekstra, Kiefer, King, Hull, Olson, Nadreau, Monarski. Motion carried.**

CLAIMS

(a) **Motion by Olson/Nadreau** to approve the claims as recommended by the Claims Committee.

City General Claims:	\$64,528.24
Authorized/Handwritten Claims:	\$4,202.62
Department of Public Utilities:	\$76,218.53
Total of Claims Presented	<u>\$144,949.39</u>

Roll Call Vote: Aye – Olson, Nadreau, Hoekstra. Monarski, Kiefer, King, Hull. Motion carried.

(b) **Motion by King/Olson** to deny the claim of Kristi Lund, 633 Northridge Drive, against the City of Chippewa Falls. **All present voting aye, motion carried.**

CLOSED SESSION

(a) **Motion by Monarski/Nadreau** to go into Closed Session under WI Statutes 19.85(1)(g) for “conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved” relative to Heartland Contractors, Inc.; and to include the Mayor, Council, Ferg, Bauer, Smith, Rubenzer, Givens and any representatives from Heartland Contractors and Chippewa Concrete; may return to Open Session.

Roll Call Vote: Aye – Monarski, Nadreau, Hoekstra, Kiefer, King, Hull, Olson. Motion carried.

Council discussed the item above.

Motion by Hoekstra/King to return to Open Session. **All present voting aye, motion carried.**

It was reported in Open Session that there was a motion and a second in Closed Session to accept the withdrawal of Heartland Contractors on the Chippewa Riverfront Phase II project as they requested, while still preserving the City’s legal rights and in doing so, award the contract to the second lowest bidder, Chippewa Concrete. The motion was unanimously approved.

ADJOURNMENT

Motion by Olson/Hoekstra to adjourn at 7:54 pm. **All present voting aye, motion carried.**

**MINUTES OF THE PLAN COMMISSION MEETING
CITY OF CHIPPEWA FALLS
MONDAY, AUGUST 7, 2017 – 6:30 PM**

The Plan Commission met in City Hall on Monday, August 7, 2017 at 6:30 P.M. Present were Commissioners Dave Cihasky, Dennis Doughty, Mike Tzanakis, Beth Arneberg, Jerry Smith, Alderperson Chuck Hull, Secretary Rick Rubenzer, Vice-Chairperson Tom Hubbard and Mayor Greg Hoffman. Absent were Commissioners Greg Misfeldt and Dan Varga.

1. **Motion** by Hubbard, seconded by Tzanakis to approve the minutes of the July 10, 2017 Plan Commission meeting. **All present voting aye. Motion carried.**

2. The Plan Commission considered the petition from Sandy Schley-Zelm and James Zelm to rezone parcel #1974 located at #822 First Avenue from R-3A Multi Family (with an existing conditional use permit for Helping Hands Childcare), to C-1 Neighborhood Shopping. Director of Public Works Rubenzer noted the public, light industrial, commercial and residential zones in a couple block area surrounding #822 First Avenue. He also noted that the floor space designated for the consignment business was less than the 1500 sf maximum specified in the C-1 zoning district. Director of Public Works Rubenzer stated that City Inspector Lasiewicz approved of the mixed consignment and commercial kitchen uses in the same building and that it was a permitted use in the C-1 zoning district. Commissioner Arneberg questioned whether or not the kitchen and homemade food sales would constitute a restaurant. Director of Public Works Rubenzer will check with Inspector Lasiewicz. After further discussion, **motion** by Tzanakis, seconded by Hubbard to recommend the Common Council conduct a public hearing to consider rezoning parcel #1974 located at #822 First Avenue from R-3A Multi Family (with an existing conditional use permit for Helping Hands Childcare), to C-1 Neighborhood Shopping. Said public hearing to be scheduled after receipt of the \$300 legal advertising fee and proper notification of adjacent property owners. **All present voting aye. Motion carried.**

3. **Motion** by Cihasky, seconded by Hubbard to adjourn. **All present voting aye. Motion carried.** The Plan Commission adjourned at 6:47 P.M.

Plan Commission

**MINUTES OF THE PLAN COMMISSION MEETING
CITY OF CHIPPEWA FALLS
MONDAY, JULY 10, 2017 – 6:30 PM**

The Plan Commission met in City Hall on Monday, July 10, 2017 at 6:30 P.M. Present were Commissioners Dave Cihasky, Greg Misfeldt, Dennis Doughty, Mike Tzanakis, Beth Arneberg, Jerry Smith, Alderperson Chuck Hull, Secretary Rick Rubenzer, Vice-Chairperson Tom Hubbard and Mayor Greg Hoffman. Absent was Commissioner Dan Varga. Also attending were City Planner Jayson Smith and City Inspector Paul Lasiewicz.

1. **Motion** by Hubbard, seconded by Misfeldt to approve the minutes of the May 8, 2017 Plan Commission meeting. **All present voting aye. Motion carried.**

2. The Plan Commission considered the attached Certified Survey Map prepared by Real Land Surveying on behalf of Max Gehler. Secretary Rubenzer stated that Mr. Gehler was unable to obtain right-of-way along the south side of Nelson Road, so proposed the Certified Survey to obtain property along the north side of Nelson Road. Secretary Rubenzer stated that the stormwater management plan for the entire development must be approved and constructed prior to any buildings on Lot #4. He continued that access to property owners along the south side of Nelson Road must be maintained.
Motion by Hubbard, seconded by Tzanakis to recommend the Common Council approve the attached Certified Survey Map prepared by Real Land Surveying on behalf of Max Gehler for parcels near the intersection of Old Eau Claire Road and Nelson Road contingent upon:
 - 1) Receipt of the \$100 Certified Survey Map review fee.
 - 2) Completion and approval of a stormwater management plan for the entire development along Nelson Road.
 - 3) The words, "Dedicated to the City of Chippewa Falls for a public street", being placed on the Certified Survey Map.
 - 4) Public access to all adjacent property owners being maintained.
 - 5) Recording of the said Certified Survey Map and providing a digital copy with the City Engineering Department.**All present voting aye. Motion carried.**

3. City Planner Jayson Smith presented the attached proposed amendments to the Chippewa Falls Municipal Zoning Code Sections 17.29 C-2 General Commercial and 17.31 C-4 Highway Commercial districts. He updated the Plan Commission about a potential buyer and use for the former Kmart building at #409 East Prairie View Road. The building is presently being used for storage of bottled water as per PD CUP Resolution No. 2016-05. City staff met with the present owner and potential buyer representatives to determine the most efficient method to move forward. City staff determined that the proposed amendments to the Chippewa Falls Municipal Zoning Code Sections 17.29 C-2 General Commercial and 17.31 C-4 Highway Commercial districts would be the best way to move forward.
Motion by Hubbard, seconded by Smith that the Common Council amend the Chippewa Falls Municipal Zoning Code Sections 17.29 C-2 General Commercial and 17.31 C-4 Highway Commercial districts by adding a section allowing interior self-storage units and approve the attached ordinance after giving proper legal notice, receiving the proper

Please note, these are draft minutes and may be amended until approved by the Common Council.

fees and then conducting a public hearing to consider the said ordinance amendment. **All present voting aye. Motion carried.**

4. Bruce Hayhoe did not appear and had requested that his request for a Planned Unit Development near Lakeland Drive be removed from the agenda.

Motion by Tzanakis, seconded by Rubenzer to table Bruce Hayhoe's request for a Planned Unit Development near Lakeland Drive. **All present voting aye. Motion carried.**

5. **Motion** by Hubbard seconded by Smith to adjourn. **All present voting aye. Motion carried.** The Plan Commission adjourned at 6:50 P.M.

AVE.

Request for rezoning 822 1st Ave.

After 25 plus years of doing childcare my husband and I have decided it is time to try something different. We have listed our building at 822 1st. Ave. for sale, either as a turnkey childcare business or as the building by itself. We are not having much luck, so we are looking to do something different with the building.

I have researched a couple of different options and have decided that we would like to do a few different things with the building, instead of putting all of our “eggs into one basket”.

There will be only one entrance to the building, all of the other doors will be marked “Exit only”

There is also a diagram attached that has the major layout of the building. The rooms have the sizes.

Four different sections:

Licensed kitchen:

Things that will have to be changed:

- Commercial dish washer installed
- Commercial Refrigerator purchased
- Present double sink removed and a one-basin deeper prep sink installed
- Hand washing sink and water supply installed
- I will need to be recertified in food prep. (I owned a bar and restaurant for 4 years)

Featuring specialty cooking. People can order meals from us that we will prepare for them and then they will take home and cook. (If they are in need of just a single portion size, we will cook it and they will be able to just take it home and reheat it.) We will do gluten free, diabetic, clean food, paleo and other specialized diets.

Homemade bakery goods will be available, featuring a different item daily. Again focusing on items such as “Black bean brownies” and other “Clean foods” as well as cookies and quick breads. (Or upon request)

We will grow many of the vegetables on site and purchase from local vendors (when in season). We will use local suppliers for our meats, chicken, eggs, and other items as they are available.

The licensed kitchen will be available for others to rent also.

The other rooms located at the east end of the building will be an office and the other 2 will be storage.

Larger room in the middle:

There will be 4 tables 2 that seat 4 people and 2 taller bistro tables that will seat 2 people each. (Rule is if we have seating for more than 15 people, we would be required to have 2 bathrooms.) (We will have 2 bathrooms available but they will not be labeled as “Men and Women.” The large restroom has 2 doors (one on either side, there will be signage informing the occupant to lock “both” doors when in use or we will permanently lock one door.). A baby changing station available in this area also.

The rest of the room will remain very spacious so there will be room to hold “classes” on gardening, cooking, crafting, and also to be available for a meeting room or to host different small group events. This room would be available to the public to use.

Fenced-in yard: (already has a 5ft. chain link fence around perimeter)

Our fenced-in yard has multiple raised garden beds in it. Our produce will be utilized in our meal prep for clients. Different gardening concepts will be used, i.e., raised beds, container gardening, bale gardening, and garden ideas that use the fence to increase space to raise vegetables. These concepts will be used to educate people on the benefits and ease of

organic gardening. I have taken the "Master Gardener Series" although I have not kept up on my continuing ed. hours or on my community service hours. I do plan on doing so. Once I have completed the 10 hours of continuing education and the 24 hours of community service I will be a certified Master Gardener again.

The rest of the fenced in area will be used to display consigned "outdoor, or gardening items."

The rooms on the west end of the building will be used for consignment space:

Will be for "locally made consignment items." It would include a variety of handmade items such as, jewelry, upcycled items, and other unique products. Consigners would be charged per foot of space needed instead of a percentage of sales.

We would also like to sell locally made food items in one of the rooms. Example Chip Magnet dips, Elder Valley Farm dressings, Maple syrup and Honey.

Parking lot:

There will be parking for at least 10 vehicles on site. All parking spots will be marked, also street parking will be available with no parking between the neighbors to the north and our driveway. (Linda, the next door neighbor, has to use a scooter to get around and is unable to see oncoming traffic if vehicles are parked there.)

Please excuse the appearance of my diagram, I'm not very good at penmanship or at drawing.

MINUTES
COMMITTEE #1
REVENUES, DISBURSEMENTS, WATER AND WASTEWATER
August 10, 2017

Committee #1 - Revenues, Disbursements, Water and Wastewater met on Thursday, August 10, 2017 at 9:00 AM in the Council Chambers, City Hall, 30 West Central Street, Chippewa Falls, WI.

Committee Members present: Rob Kiefer, John Monarski, and Paul Nadreau
Mayor/Other Council Members present: None
Others present: Finance Manager/Treasurer Lynne Bauer, Public Works Director/City Engineer/Utility Manager Rick Rubenzer, Wastewater Supervisor George Hobbs and Utility Officer Manager Connie Freagon.

Call to Order: 9:00 AM

1. Discuss funding for City Hall phone upgrade options. Possible recommendations to the Council.

Utility Office Manager Connie Freagon stated a quote discussed during the 2017 budget process to transfer phone programming to the County was grossly underestimated. The original amount of \$4,373 from Marco was approved with funding to come from the franchise fees account. According to Freagon, the updated quote is \$14,993 of which the City portion would total approximately \$12,745. She indicated the County is currently replacing their controller and the programming for the city would be the next step. Due to some confusion with the estimate amounts, she would like more time to review the costs and will bring back to the next committee meeting.

No action taken.

2. Discuss refund of Business Improvement District (BID) assessment payments for 29 E. Spruce Street (Parcel #672). Possible recommendations to the Council.

Finance Manager/Treasurer Lynne Bauer indicated a property located within the BID was charged a BID assessment in error. The property was rezoned to residential and BID assessments are for commercial properties only. The owners, Bobby and Megan Postle, are requesting a refund of \$400.91. Bauer asked the Committee to allow the City to issue the refund and recoup the monies from the BID at a later date as the BID Board only meets a few times each year.

Motion Kiefer/Monarski to recommend the Council approve the refund of \$400.91 for the BID assessment payments made on 29 E. Spruce Street to Bobby and Megan Postle and request reimbursement of that amount from the BID Board. **All present voted aye. Motion carried.**

- 3. Discuss Aeration Blower Replacement Study dated June 27, 2017. (Note: Study includes WWTP organic capacity study.) Possible recommendations to the Council.**

Public Works Director/City Engineer/Utility Manager Rick Rubenzer and Wastewater Supervisor George Hobbs asked the Committee to approve an agreement for Strand Associates, Inc. to perform a study regarding replacement of an aeration blower. Supervisor Hobbs indicated the plant has three blowers but one has failed. The other two have been fixed recently but he needs extra capacity and would like to replace the third one with a higher efficiency blower. The proposal estimates the cost of the study to be \$12,000. Funds from the utility depreciation account would be used.

Motion by Kiefer/Monarski to recommend the Council approve the Aeration Blower Replacement Study and authorize Rick Rubenzer to sign the agreement. **All present voted aye. Motion carried.**

- 4. Discuss Amendment No. 1 to the Agreement for General Services Control Building HVAC Improvements dated July 21, 2017. Possible recommendations to the Council.**

Public Works Director/City Engineer/Utility Manager Rick Rubenzer and Wastewater Supervisor George Hobbs presented an amendment to the Strand Associates, Inc. Agreement for construction related services for the Control Building Heating, Ventilation and Air Conditioning (HVAC) improvements. The proposed increase is \$18,000. Monies for this increase would come from the utility depreciation account.

Motion by Kiefer/Nadreau to recommend the Council approve Amendment No. 1 to the Agreement for General Services Control Building HVAC Improvements. **All present voted aye. Motion carried.**

- 5. Adjournment.**

Motion by Nadreau/Kiefer to adjourn at 9:26 am. **All present voting aye, motion carried.**

Dollar Amount Requested: \$4,373 plus from Proposal 2

USE this form to submit items you did not include in your line item budget requests due to the 0% increase directive.

The City's phone system was installed in 2006. The controller at City Hall is considered end of life. End of life means that the software will be supported, but if anything goes wrong with the hardware, it is probable that it cannot be repaired. The Police Department phone system was installed in 2010. At that time the dispatch was still at the Police Department so we were required to install a controller on site, unlike every other off site department, like the Library, Fire Station, Street, Utility. As dispatch has moved, a separate controller is no longer needed.

Proposal 1 - Replace City Hall controller with a software upgrade and decommission the Police Department controller. This will bring the controller up to date and remove an aging controller at the Police Department. This will also simplify operation of the phone system as only one system needs updating. Software support of \$1,450 can be discontinued. Cost \$6,155.00 (City \$5,232 Utility \$923).

Proposal 2 - Move all City phone programming to the County's Mitel phone system. We would use the County voice mail system which is more robust than the City system. Both controllers would be decommissioned. Software support of \$3,800 for our existing controllers can be discontinued. Contract with Charter can be canceled on expiration date of 4/23/18 (\$663.59 per month). Cost for programming and coordination \$5,145.00 (City \$4,373 Utility \$772).

The City would pay a prorated portion to the County for hardware/software as we do now for servers. Additional costs for the County to be determined.

Re: Agreement for General Services
Aeration Blower Replacement Study

This is an Agreement between the City of Chippewa Falls, Wisconsin, hereinafter referred to as OWNER, and Strand Associates, Inc.[®], hereinafter referred to as ENGINEER, to provide engineering services (Services) for the Aeration Blower Replacement Study project. This Agreement shall be in accordance with the following elements.

Scope of Services

ENGINEER will provide the following Services to OWNER.

1. Conduct an on-site project kickoff meeting at OWNER's wastewater treatment plant (WWTP) to gather site-specific information and discuss the project scope and schedule.
2. Update the design criteria for the activated sludge treatment system by adding recent data to data previously analyzed for the ENGINEER-prepared 2013 Biosolids Planning Study Report.
3. Develop an engineering report for submittal to Wisconsin Department of Natural Resources (WDNR) for rerating the organic capacity of the WWTP to reflect current and future conditions. Influent load projections will be based on population projections from the Wisconsin Department of Administration.
4. Review alternative blower technologies for potential replacement of one or more of the existing positive displacement blowers. Evaluation will be based on total present worth analyses taking into account both capital costs and operation and maintenance costs over a 20-year life cycle.
5. Review potential changes to aeration instrumentation and controls with the goal of improving operation and reducing energy use.
6. Provide alternatives and opinion of probable construction cost for improvements in a draft report to OWNER.
7. Conduct a review meeting at the WWTP to discuss report conclusion and OWNER's comments.
8. Revise the report, as appropriate, based on OWNER's comments.
9. Submit final report to OWNER.

Service Elements Not Included

The following services are not included in this Agreement. If such services are required, they will be provided as noted.

1. Additional Site Visits and/or Meetings: Additional OWNER-required site visits or meetings will be provided through an amendment to this Agreement or through a separate agreement with OWNER.
2. Bidding- and Construction-Related Services: Bidding- and construction-related services for the project will require a separate agreement with OWNER.
3. Drawings and Specifications: Final design services including drawings and specifications, if provided by ENGINEER, will be provided through an amendment to this Agreement or through a separate agreement with OWNER.
4. Permit and Plan Review Fees: All permit and plan review fees payable to regulatory agencies shall be paid for by OWNER.
5. Preparation for and/or Appearance in Litigation on Behalf of OWNER: This type of service by ENGINEER will be provided through a separate agreement with OWNER.
6. Revising Designs, Drawings, Specifications, and Documents: Any services required after these items have been previously approved by state or federal regulatory agencies, because of a change in project scope or where such revisions are necessary to comply with changed state and federal regulations that are put in force after Services have been partially completed, will be provided through an amendment to this Agreement.
7. Services Related to Buried Wastes and Contamination: Should buried solid, liquid, or potentially hazardous wastes or subsurface or soil contamination be uncovered at the site, follow-up investigations may be required to identify the nature and extent of such wastes or subsurface soil or groundwater contamination and to determine appropriate methods for managing of such wastes or contamination and for follow-up monitoring. Investigation, design, or construction-related services related to buried solid, liquid, or potentially hazardous wastes or soil or groundwater contamination will be provided through a separate agreement with OWNER.

Compensation

OWNER shall compensate ENGINEER for Services on an hourly rate basis plus expenses an estimated fee of \$12,000.

Expenses incurred such as those for travel, meals, printing, postage, copies, computer, electronic communication, and long distance telephone calls will be billed at actual cost plus ten percent.

Only sales taxes or other taxes on Services that are in effect at the time this Agreement is executed are included in the Compensation. If the tax laws are subsequently changed by legislation during the life of this Agreement, this Agreement will be adjusted to reflect the net change.

The estimated fee for the Services is based on wage scale/hourly billing rates, adjusted annually on July 1, that anticipates the Services will be completed as indicated. Should the completion time be extended, it may be cause for an adjustment in the estimated fee that reflects any wage scale adjustments made.

City of Chippewa Falls
Page 3
June 27, 2017

The estimated fee will not be exceeded without prior notice to and agreement by OWNER but may be adjusted for time delays, time extensions, amendments, or changes in the **Scope of Services**. Any adjustments will be negotiated based on ENGINEER's increase or decrease in costs caused by delays, extensions, amendments, or changes.

Schedule

Services will begin upon execution of this Agreement, which is anticipated the week of June 26, 2017. Services are scheduled for completion on September 15, 2017.

Standard of Care

The Standard of Care for all Services performed or furnished by ENGINEER under this Agreement will be the care and skill ordinarily used by members of ENGINEER's profession practicing under similar circumstances at the same time and in the same locality. ENGINEER makes no warranties, express or implied, under this Agreement or otherwise, in connection with ENGINEER's Services.

OWNER's Responsibilities

1. Assist ENGINEER by placing at ENGINEER's disposal all available information pertinent to this project including previous reports, previous drawings and specifications, and any other data relative to the scope of this project.
2. Furnish to ENGINEER, as required by ENGINEER for performance of Services as part of this Agreement, data prepared by or services of others obtained or prepared by OWNER relative to the scope of this project, such as soil borings, probings and subsurface explorations, and laboratory tests and inspections of samples, all of which ENGINEER may rely upon in performing Services under this Agreement.
3. Provide access to the site as required for ENGINEER to perform Services under this Agreement.
4. Guarantee access to and make all provisions for ENGINEER to enter upon public and private lands as required for ENGINEER to perform Services under this Agreement.
5. Examine all reports, sketches, estimates, special provisions, drawings, and other documents presented by ENGINEER and render, in writing, decisions pertaining thereto within a reasonable time so as not to delay the performance of ENGINEER.
6. Provide all legal services as may be required for the development of this project.

Opinion of Probable Cost

Any opinions of probable cost prepared by ENGINEER are supplied for general guidance of OWNER only. ENGINEER has no control over competitive bidding or market conditions and cannot guarantee the accuracy of such opinions as compared to contract bids or actual costs to OWNER.

Changes

1. OWNER may make changes within the general scope of this Agreement in the Services to be performed. If such changes cause an increase or decrease in ENGINEER's cost or time required for performance of any Services under this Agreement, an equitable adjustment will be made and this Agreement will be modified in writing accordingly.

City of Chippewa Falls
Page 4
June 27, 2017

2. No services for which additional compensation will be charged by ENGINEER will be furnished without the written authorization of OWNER. The fee established herein will not be exceeded without agreement by OWNER but may be adjusted for time delays, time extensions, amendments, or changes in the **Scope of Services**.
3. If there is a modification of WDNR requirements relating to the Services to be performed under this Agreement subsequent to the date of execution of this Agreement, the increased or decreased cost of performance of the Services provided for in this Agreement will be reflected in an appropriate modification of this Agreement.

Extension of Services

This Agreement may be extended for additional Services upon OWNER's authorization. Extension of Services will be provided for a lump sum or an hourly rate plus expenses.

Payment

OWNER shall make monthly payments to ENGINEER for Services performed in the preceding month based upon monthly invoices. Nonpayment 30 days after the date of receipt of invoice may, at ENGINEER's option, result in assessment of a 1 percent per month carrying charge on the unpaid balance.

Nonpayment 45 days after the date of receipt of invoice may, at ENGINEER's option, result in suspension of Services upon five calendar days' notice to OWNER. ENGINEER will have no liability to OWNER, and OWNER agrees to make no claim for any delay or damage as a result of such suspension caused by any breach of this Agreement by OWNER. Upon receipt of payment in full of all outstanding sums due from OWNER, or curing of such other breach which caused ENGINEER to suspend Services, ENGINEER will resume Services and there will be an equitable adjustment to the remaining project schedule and compensation as a result of the suspension.

Data Provided by Others

ENGINEER is not responsible for the quality or accuracy of data nor for the methods used in the acquisition or development of any such data where such data is provided by or through OWNER, contractor, or others to ENGINEER and where ENGINEER's Services are to be based upon such data. Such data includes, but is not limited to, soil borings, groundwater data, chemical analyses, geotechnical testing, reports, calculations, designs, drawings, specifications, record drawings, contractor's marked-up drawings, and topographical surveys.

Termination

This Agreement may be terminated with cause in whole or in part in writing by either party subject to a two-week notice and the right of the party being terminated to meet and discuss the termination before the termination takes place. ENGINEER will be paid for all completed or obligated Services up to the date of termination.

Third-Party Beneficiaries

Nothing contained in this Agreement creates a contractual relationship with or a cause of action in favor of a third party against either OWNER or ENGINEER. ENGINEER's Services under this Agreement are being performed solely for OWNER's benefit, and no other party or entity shall have any claim against ENGINEER because of this Agreement or the performance or nonperformance of Services hereunder.

Re: Amendment No. 1 to the May 4, 2017, Agreement for General Services
Control Building Heating, Ventilation, and Air Conditioning Improvements

This is Amendment No. 1 to the referenced Agreement.

Under Scope of Services,

ADD the following before Item No. 1:

“Design Services”

ADD the following after Item No. 11:

“Construction-Related Services

1. Review contractor-provided shop drawing submittals.
2. Review requests for information from contractor, develop requests for quotation, and change orders for OWNER, if necessary.
3. Provide a final site visit at 100 percent construction completion to develop a list of items to be completed or corrected by contractor. ENGINEER’s efforts will be directed toward determining for OWNER that the completed project will, in general, conform to the Contract Documents; but ENGINEER will not supervise, direct, or have control over contractor’s work and will not be responsible for contractor’s construction means, methods, techniques, sequences, procedures, or health and safety precautions or programs, or for contractor’s failure to perform work in accordance with the Contract Documents.
4. Provide Record Drawings in hard copy and electronic format based on information compiled from contractor’s records. ENGINEER will provide drafting Services only for Record Drawings based on the records presented to ENGINEER by contractor and OWNER. ENGINEER will not be liable for the accuracy of the Record Drawing information provided by contractor and OWNER.”

Under Service Elements Not Included, DELETE Item No. 3 in its entirety.

Under Compensation, CHANGE \$32,000 to “\$50,000.”

Under Schedule, CHANGE August 30, 2017, to “April 30, 2018.”

3. Personal Appearances By Citizens: Mike Houle is present to discuss the Board's concerns about Party in the Park sponsored by Valley Vineyard Church. This is an annual event that the Board has indicated may be getting too large to be held in Irvine Park in the future. Mike indicates they do not anticipate growth as it has levelled off the past three years. They surveyed this year's participants and found that 2/3rd of were already in Irvine Park and did not come solely for this event. The Board expressed concerns about the impact of this and other large events on others using Irvine Park at the same time, such as issues with parking. This was addressed this year by having the group's participants parking at the Marshall Park lot as well as by having staff reserve parking spots near shelters reserved by others. It was discussed that Marshall Park may be a good alternative for next year's event.
4. Discuss / Consider Special Event Applications: The Fall Frolic Trail Run & Walk will be held on 09/16/17 at Flag Hill/Loretta Cutsforth from 10:30 to 1:00 p.m. This has been held annually. **Motion by Berg/Seckora to approve special event application renewal as presented. Motion carried.**
5. Discuss/Consider:
 - a. Discuss Erickson Park Improvement Project. Ron Bakken is present for Fish Chippewa!. The Financial Report is reviewed. Currently, there is \$417,496.63 left to raise. There is discussion about the grant deadlines. Dick and Ron indicate the grant deadlines can be extended. Fish Chippewa! plans to have all cash and/or pledges by the time bids are approved. Construction is estimated to start in the spring of 2018 and completed by the fall. There was a question regarding the Ice Making Days on Glen Loch Memorial. Ron indicated that he has asked the Historical Society to assist with coming up with something to memorialize the historical significance of ice making on Glen Loch.

The Amendment to Agreement #3 is reviewed. This is \$29,800.00 for Ayres' services for the FEMA application for a Conditional Letter of Map Revision (CLOMR). Additionally, the agreement includes design and preparation of structural plans for a boardwalk at the north end of the Duncan Creek pedestrian bridge. Discussed using a general contractor instead of a construction manager, warranties, and that the bridge would be constructed first. **Motion by Berg/Muenich to approve the Amendment to Agreement as presented with the following stipulations: 1) Amendment**

is signed when the money is received from the Special Friends, and 2) that the Amendment be reviewed by the City Attorney. Motion carried.

- b. Discuss Irvine Park Welcome Center. Dick Hebert discussed final security issues. When there is a night seasonal employee working (early May to early November), the hours of the Welcome Center are 10 a.m. to 7 p.m. It is open from 10 a.m. to 3 p.m. during the other months of the year, except for Christmas Village when it is open special hours. There was discussion regarding staffing as well as the various artifacts owned, their location, and what needs to be done to get them displayed in the Welcome Center. Heidi Hoekstra volunteered to review the list of artifacts and categorize them. Beth discussed the donor wall. She is interested in incorporating a timeline into the wall and including not only donors but also important events and honoring longtime employees. She will spearhead this effort.
 - c. Recreation Report. Josh Kriesel indicates it is getting to the end of the summer season; pool will be closing August 20. Good sign up for the pickle ball tournament for the Pure Water Days/Leinie's 150th Anniversary; there will be a food truck there from 10-2. Soccer will be starting in Sept. He is working on fall seasons and Run for the Lights.
 - d. Director Report. Dick Hebert reports that the pasture animals are being moved around so that they can spray for the less desirable vegetation. They are being mindful of what chemicals are being used. Phase 2 of Chippewa Riverfront Park will be starting soon. The basketball court at the Flats Park was paved and the pipe was installed. Funds are being sought to complete the project. Dick indicates that the Forestry grant deadline for the ash borer was extended to the end of the year. The community outreach portion needs to be completed; Dick will be working on that.
6. Approve Claims. Claims reviewed. **Motion by Arneberg/Hoekstra to approve claims of \$47,967.90. Motion carried.**
 7. Park Board Members' Concerns or Comments. Having the ski bridge completed before winter was brought up as a concern. Dick will check with CBS Squared.
 8. Adjournment. **Motion by Muenich/Stowell to adjourn at 7:26 p.m. Motion carried.**

NON-COMMERCIAL KENNEL LICENSE APPLICATION

Written Recommendation of Police Department

I recommend that this license be APPROVED.

On Friday, July 28th, 2017 at 1315 hours Sgt. Boos met with Dustin and his wife at their residence at 301 E Greenville St. They applied for the non-kennel license for their four Chinese Crested dogs (small hairless dogs that weigh approx. 7-14 lbs). The Millers identified the "kennel" as the interior of their residence, meaning that the dogs are inside for most of the day. The residence itself was very clean, organized, and overall well maintained. They have four small travel cages that the dogs are confined to when they are not home. The outside of the residence is also well maintained. The dogs are allowed outside and unleashed in the backyard, which is fully fenced in, preventing the dogs from running at large.

The dogs themselves appeared very well taken care of. The dogs are taken for walks daily and Sgt. Boos observed proper food and water accessible for the dogs inside the residence. In speaking with the Millers at length it was obvious that they care very deeply for their dogs and consider them as their "kids."

In conclusion, Sgt. Boos found no concern with the Millers owning four dogs at the residence. It was clear that they are more than capable of handling the responsibilities and chores of having four dogs. The Millers were very friendly and easy to talk with.

Re: Agreement for General Services
Aeration Blower Replacement Study

This is an Agreement between the City of Chippewa Falls, Wisconsin, hereinafter referred to as OWNER, and Strand Associates, Inc.[®], hereinafter referred to as ENGINEER, to provide engineering services (Services) for the Aeration Blower Replacement Study project. This Agreement shall be in accordance with the following elements.

Scope of Services

ENGINEER will provide the following Services to OWNER.

1. Conduct an on-site project kickoff meeting at OWNER's wastewater treatment plant (WWTP) to gather site-specific information and discuss the project scope and schedule.
2. Update the design criteria for the activated sludge treatment system by adding recent data to data previously analyzed for the ENGINEER-prepared 2013 Biosolids Planning Study Report.
3. Develop an engineering report for submittal to Wisconsin Department of Natural Resources (WDNR) for rerating the organic capacity of the WWTP to reflect current and future conditions. Influent load projections will be based on population projections from the Wisconsin Department of Administration.
4. Review alternative blower technologies for potential replacement of one or more of the existing positive displacement blowers. Evaluation will be based on total present worth analyses taking into account both capital costs and operation and maintenance costs over a 20-year life cycle.
5. Review potential changes to aeration instrumentation and controls with the goal of improving operation and reducing energy use.
6. Provide alternatives and opinion of probable construction cost for improvements in a draft report to OWNER.
7. Conduct a review meeting at the WWTP to discuss report conclusion and OWNER's comments.
8. Revise the report, as appropriate, based on OWNER's comments.
9. Submit final report to OWNER.

Service Elements Not Included

The following services are not included in this Agreement. If such services are required, they will be provided as noted.

1. Additional Site Visits and/or Meetings: Additional OWNER-required site visits or meetings will be provided through an amendment to this Agreement or through a separate agreement with OWNER.
2. Bidding- and Construction-Related Services: Bidding- and construction-related services for the project will require a separate agreement with OWNER.
3. Drawings and Specifications: Final design services including drawings and specifications, if provided by ENGINEER, will be provided through an amendment to this Agreement or through a separate agreement with OWNER.
4. Permit and Plan Review Fees: All permit and plan review fees payable to regulatory agencies shall be paid for by OWNER.
5. Preparation for and/or Appearance in Litigation on Behalf of OWNER: This type of service by ENGINEER will be provided through a separate agreement with OWNER.
6. Revising Designs, Drawings, Specifications, and Documents: Any services required after these items have been previously approved by state or federal regulatory agencies, because of a change in project scope or where such revisions are necessary to comply with changed state and federal regulations that are put in force after Services have been partially completed, will be provided through an amendment to this Agreement.
7. Services Related to Buried Wastes and Contamination: Should buried solid, liquid, or potentially hazardous wastes or subsurface or soil contamination be uncovered at the site, follow-up investigations may be required to identify the nature and extent of such wastes or subsurface soil or groundwater contamination and to determine appropriate methods for managing of such wastes or contamination and for follow-up monitoring. Investigation, design, or construction-related services related to buried solid, liquid, or potentially hazardous wastes or soil or groundwater contamination will be provided through a separate agreement with OWNER.

Compensation

OWNER shall compensate ENGINEER for Services on an hourly rate basis plus expenses an estimated fee of \$12,000.

Expenses incurred such as those for travel, meals, printing, postage, copies, computer, electronic communication, and long distance telephone calls will be billed at actual cost plus ten percent.

Only sales taxes or other taxes on Services that are in effect at the time this Agreement is executed are included in the Compensation. If the tax laws are subsequently changed by legislation during the life of this Agreement, this Agreement will be adjusted to reflect the net change.

The estimated fee for the Services is based on wage scale/hourly billing rates, adjusted annually on July 1, that anticipates the Services will be completed as indicated. Should the completion time be extended, it may be cause for an adjustment in the estimated fee that reflects any wage scale adjustments made.

City of Chippewa Falls

The estimated fee will not be exceeded without prior notice to and agreement by OWNER but may be adjusted for time delays, time extensions, amendments, or changes in the **Scope of Services**. Any adjustments will be negotiated based on ENGINEER's increase or decrease in costs caused by delays, extensions, amendments, or changes.

Schedule

Services will begin upon execution of this Agreement, which is anticipated the week of June 26, 2017. Services are scheduled for completion on September 15, 2017.

Standard of Care

The Standard of Care for all Services performed or furnished by ENGINEER under this Agreement will be the care and skill ordinarily used by members of ENGINEER's profession practicing under similar circumstances at the same time and in the same locality. ENGINEER makes no warranties, express or implied, under this Agreement or otherwise, in connection with ENGINEER's Services.

OWNER's Responsibilities

1. Assist ENGINEER by placing at ENGINEER's disposal all available information pertinent to this project including previous reports, previous drawings and specifications, and any other data relative to the scope of this project.
2. Furnish to ENGINEER, as required by ENGINEER for performance of Services as part of this Agreement, data prepared by or services of others obtained or prepared by OWNER relative to the scope of this project, such as soil borings, probings and subsurface explorations, and laboratory tests and inspections of samples, all of which ENGINEER may rely upon in performing Services under this Agreement.
3. Provide access to the site as required for ENGINEER to perform Services under this Agreement.
4. Guarantee access to and make all provisions for ENGINEER to enter upon public and private lands as required for ENGINEER to perform Services under this Agreement.
5. Examine all reports, sketches, estimates, special provisions, drawings, and other documents presented by ENGINEER and render, in writing, decisions pertaining thereto within a reasonable time so as not to delay the performance of ENGINEER.
6. Provide all legal services as may be required for the development of this project.

Opinion of Probable Cost

Any opinions of probable cost prepared by ENGINEER are supplied for general guidance of OWNER only. ENGINEER has no control over competitive bidding or market conditions and cannot guarantee the accuracy of such opinions as compared to contract bids or actual costs to OWNER.

Changes

1. OWNER may make changes within the general scope of this Agreement in the Services to be performed. If such changes cause an increase or decrease in ENGINEER's cost or time required for performance of any Services under this Agreement, an equitable adjustment will be made and this Agreement will be modified in writing accordingly.

2. No services for which additional compensation will be charged by ENGINEER will be furnished without the written authorization of OWNER. The fee established herein will not be exceeded without agreement by OWNER but may be adjusted for time delays, time extensions, amendments, or changes in the **Scope of Services**.
3. If there is a modification of WDNR requirements relating to the Services to be performed under this Agreement subsequent to the date of execution of this Agreement, the increased or decreased cost of performance of the Services provided for in this Agreement will be reflected in an appropriate modification of this Agreement.

Extension of Services

This Agreement may be extended for additional Services upon OWNER's authorization. Extension of Services will be provided for a lump sum or an hourly rate plus expenses.

Payment

OWNER shall make monthly payments to ENGINEER for Services performed in the preceding month based upon monthly invoices. Nonpayment 30 days after the date of receipt of invoice may, at ENGINEER's option, result in assessment of a 1 percent per month carrying charge on the unpaid balance.

Nonpayment 45 days after the date of receipt of invoice may, at ENGINEER's option, result in suspension of Services upon five calendar days' notice to OWNER. ENGINEER will have no liability to OWNER, and OWNER agrees to make no claim for any delay or damage as a result of such suspension caused by any breach of this Agreement by OWNER. Upon receipt of payment in full of all outstanding sums due from OWNER, or curing of such other breach which caused ENGINEER to suspend Services, ENGINEER will resume Services and there will be an equitable adjustment to the remaining project schedule and compensation as a result of the suspension.

Data Provided by Others

ENGINEER is not responsible for the quality or accuracy of data nor for the methods used in the acquisition or development of any such data where such data is provided by or through OWNER, contractor, or others to ENGINEER and where ENGINEER's Services are to be based upon such data. Such data includes, but is not limited to, soil borings, groundwater data, chemical analyses, geotechnical testing, reports, calculations, designs, drawings, specifications, record drawings, contractor's marked-up drawings, and topographical surveys.

Termination

This Agreement may be terminated with cause in whole or in part in writing by either party subject to a two-week notice and the right of the party being terminated to meet and discuss the termination before the termination takes place. ENGINEER will be paid for all completed or obligated Services up to the date of termination.

Third-Party Beneficiaries

Nothing contained in this Agreement creates a contractual relationship with or a cause of action in favor of a third party against either OWNER or ENGINEER. ENGINEER's Services under this Agreement are being performed solely for OWNER's benefit, and no other party or entity shall have any claim against ENGINEER because of this Agreement or the performance or nonperformance of Services hereunder.

City of Chippewa Falls
Page 5
June 27, 2017

OWNER and ENGINEER agree to require a similar provision in all contracts with contractors, subcontractors, subconsultants, vendors, and other entities involved in this project to carry out the intent of this provision.

Dispute Resolution

Except as may be otherwise provided in this Agreement, all claims, counterclaims, disputes, and other matters in question between OWNER and ENGINEER arising out of or relating to this Agreement or the breach thereof will be decided first by mediation, if the parties mutually agree, or with a bench trial in a court of competent jurisdiction within the State of Wisconsin.

Terms and Conditions

The terms and conditions of this Agreement will apply to the Services defined in the **Scope of Services**. OWNER-supplied purchase order is for processing payment only; terms and conditions on the purchase order shall not apply to these Services.

Re: Amendment No. 1 to the May 4, 2017, Agreement for General Services
Control Building Heating, Ventilation, and Air Conditioning Improvements

This is Amendment No. 1 to the referenced Agreement.

Under Scope of Services,

ADD the following before Item No. 1:

"Design Services"

ADD the following after Item No. 11:

"Construction-Related Services"

1. Review contractor-provided shop drawing submittals.
2. Review requests for information from contractor, develop requests for quotation, and change orders for OWNER, if necessary.
3. Provide a final site visit at 100 percent construction completion to develop a list of items to be completed or corrected by contractor. ENGINEER's efforts will be directed toward determining for OWNER that the completed project will, in general, conform to the Contract Documents; but ENGINEER will not supervise, direct, or have control over contractor's work and will not be responsible for contractor's construction means, methods, techniques, sequences, procedures, or health and safety precautions or programs, or for contractor's failure to perform work in accordance with the Contract Documents.
4. Provide Record Drawings in hard copy and electronic format based on information compiled from contractor's records. ENGINEER will provide drafting Services only for Record Drawings based on the records presented to ENGINEER by contractor and OWNER. ENGINEER will not be liable for the accuracy of the Record Drawing information provided by contractor and OWNER."

Under Service Elements Not Included, DELETE Item No. 3 in its entirety.

Under Compensation, CHANGE \$32,000 to "\$50,000."

Under Schedule, CHANGE August 30, 2017, to "April 30, 2018."
