> My household is applying for a winter street parking permit for 2017-2018 in the town of Chippewa Falls. Our residence shares a parking area with three other homes via alley access, and while we do have access to a one car garage, we are a 2 car family with a 4 year old son. The closest public parking is at the bottom of Central St, at Trinity Methodist, which is a bit of a hike since the Central St staircase is closed. My husband and I both work in the healthcare field, with call shifts requiring a certain response time; parking at a location other than our home would hinder our abilities to respond to those calls as required. We are requesting one parking permit for use this winter.
