

### **Citywide General COVID-19 Community Member Reopening Guidelines**

- Signage will be placed at community member entrances to city buildings.
- Not all city buildings will have unrestricted access by community members. You may be asked to call for an appointment.
- Deliveries should use the available drop-box or other arrangements that have been made on a per-department basis.
- Members of the public are required to wear masks when inside city buildings. Mask available upon request
- All departments have access to PPE, including a face shield or physical barriers to assist in communication with the hearing impaired.
- Members of the public showing symptoms of COVID-19 are asked to conduct business via electronic communication and/or drop box if at all possible, or to reschedule your in-person business to time when you are feeling better.
- Members of the public are asked to maintain a social distance of 6' whenever possible.
