Transportation, Construction, Public Safety and Traffic

Committee #3 met on Thursday, June 10, 2010 at 5:00 PM in Council Chambers, City Hall, 30 West Central Street, Chippewa Falls, WI.

Council Members Present: Bill Hicks, CW King, Brian Flynn, Mike Dahlby, Jane Lardahl, Chuck Hull.

Other Attendees: Rick Flynn, Sue Holm, Carol Gehl, Russ Blair, Randy Dresel, Peter Holm.

The meeting was called to order at 5:00 PM

1. Discuss concerns regarding health related issues due to airborne contaminants. Possible recommendations to the Council.

The Committee discussed concerns regarding health related issues due to airborne contaminants and ways we could bring all groups and concerned citizens together to discuss these issues. EOG will be invited to join a Committee #3 meeting designed to exchange information. We are looking for a partnership with City's newest business owner to both learn more of their process and controls as well as the concerns of the citizens of Chippewa Falls.

The Committee also discussed inviting DNR to a future meeting to get a better understanding of their efforts and the objectives of the study. Dr. Holm informed the Committee he was in contact with the principals conducting the study and would make the initial inquiry as to the feasibility of their attending.

No action taken.

2. Adjournment
Motion by Hicks/Flynn, all present voting aye, to adjourn at 6:00 PM.
