Item #1: Review/Consider Ordinance #2011-06, an Ordinance Establishing Owner Responsibility for Gas Skips. Possible recommendation to City Council.

Ordinance #2011-06 will attempt to reduce the volume of “gas drive off” in the City and places the responsibility for nonpayment on the registered owner of the vehicle. It also requires the owner of the fuel retailer to first use reasonable efforts to contact the owner of the vehicle which left the premises and request payment. If contact cannot be made or the vehicle owner refuses to make payment, the fuel retailer may deliver information as required in the Ordinance to the Chippewa Falls Police Department. Chief Stelter provided statistical data for years 2009 and 2010. Of the combined 111 drive offs only 7 could be considered intentional.

Motion by King/Hicks, all present voting aye, to recommend the City Council approve Ordinance #2011-06. **Motion carried.**

Item #2: Adjournment

Motion by Adrian/King, all present voting aye, to adjourn at 4:10 PM. **Motion carried.**
